## Tell Us About Your Easter Celebrations

As we now emerge from the pandemic which has restricted many of our normal activities over the last couple of years, Easter offers us an opportunity to celebrate our faith once again.

We would be grateful if you could let us know what you're doing for Easter in your church. We can then collect the information and share it with other churches and with the wider community. Please send details of your Easter services and activities to [communications@presbyteryofglasgow.org.uk](mailto:communications@presbyteryofglasgow.org.uk).

## Welcome to Audrey

Welcome to Audrey Kelly who has joined the Presbytery office team in a part time Administrator role. Among other things, Audrey will be providing admin support to the Presbytery Plan Creation Group.

## Mission Plan Latest

The Presbytery Plan Creation Group has now started work on how Glasgow can best meet the requirements of the Presbytery Mission Plan Act. Glasgow has been allocated 84 ministries by the General Assembly and the Group is looking at how to best make use of these posts.

Over the coming months the Group will be using newsletters and social media channels to keep you up to date as they work towards producing a draft plan to go to Presbytery later this year.

## Kick Off!

The Lodging House Mission has an exciting new facility – an indoor football pitch!

LHM Manager June Mcleod said, “We are all so pleased to have this new football pitch and it’s great to see that it’s already being well used!”
